

INTERNAL INVESTIGATION REFERENCE ARREST REPORT #18-01559

All descriptions and statements in this entire report are approximations or summarizations unless indicated otherwise.

In summary, on October 4, 2018, at approximately 0356 hours I received an email from Sergeant Rice #202 regarding a complaint against Officer Stephen Boik (see attached copy of email). Sergeant Rice completed a Norridge Police Department Employee Misconduct Inquiry/Complaint Form (see attached) and also typed up a statement surrounding the incident in question (see attached). Upon my arrival to the station around 0800 hours the above was in my mail bin and I reviewed the information I had.

At approximately 1340 hours I contacted the complainant, [REDACTED] at the phone number on the form. I advised her who I was and the reason I was calling was about her complaint against an officer. She replied by stating that she was not sure if she wanted to sign a formal complaint against the officer. I asked her to come to that station today so I could speak to her. At approximately 1413 hours [REDACTED] came to the station lobby.

I brought [REDACTED]

[REDACTED] The following is a synopsis of the conversation I had with [REDACTED]

Regarding the incident in question, [REDACTED] stated that she was 'trash talking' while sitting on the bench in the room with the computer. She stated that when she was originally brought to the station the officer warned her that if she doesn't calm down she will be in here (a jail cell). While 'trash talking' she stated the officer (Boik) was fed up with her and was going to bring her to the cell. When he approached her he grabbed her left arm and took her over to the cells.

[REDACTED] stated that she was unsure if she wanted to sign a complaint form. I gave [REDACTED] three options. She could sign the Citizen Complaint Form, not sign the Citizen Complaint Form or sign a Complaint Refusal Form. I told [REDACTED] regardless of whatever her decision is I will be investigating her complaint and all facts regarding the case will be kept in a file.

[REDACTED] continued to say that she suffers from PTSD and has outbursts. Further, she stated that she didn't think he's in the wrong but that she reacted with her PTSD.

I advised [REDACTED] to call me if she wanted to sign a formal complaint against the officer.

I had Records Clerk Terry Peters copy in-station audio/video available for the time frames for the custody of [REDACTED]. After reviewing all the available videos, it appears that the conduct in question occurred around 1411 hours in the Breath Op/Interrogation Room #1 (DVD marked Breath-OPS).

The video portion begins around 0203 hours with [REDACTED] sitting on the bench in Interrogation Room #1. She later starts making phone calls (possibly for bond). [REDACTED] became verbally upset with Officer Borowiec #30 who was in the room with her. Borowiec was sitting on a chair while [REDACTED] was yelling. Officer Boik enters the room around 1409 hours. [REDACTED] is continuing to yell with Boik present complaining about not having money for the impound fee (the vehicle she was driving was towed). She was yelling about how the officers were not understanding her. Officer Boik spoke softly and tried to calm [REDACTED] down. After failed attempts to calm her down he told her to put the phone down and, while she was still yelling, took her by her arm and escorted her to the cell area. There was no unreasonable force used to escort [REDACTED]. After Officer Boik and [REDACTED] are out of camera view they can still both be heard talking. Officer Boik is asking her to go into the cell and sit down. [REDACTED] can be heard complaining and yelling. Officer Boik raises his voice and Sergeant Rice enters the area and takes over.

As of October 16, 2018, I have not received any calls from [REDACTED] regarding this complaint.

Based on the audio/video evidence along with photographic evidence indicating no marks on [REDACTED] arm (see attached photo), I cannot find any excessive use of force used by Officer Boik. I have determined that the complaint against Officer Boik is: unfounded. This closes out this investigation into arrest report # 18-01559.

Subject: Formal Complaint Against Officer Boik

Chief-

Per general order 18-02 Subject Internal Investigation / Administrative Review, I am notifying you immediately of a formal complaint against Officer Boik. The complaint was classified based under section III. Complaint Categories , 2. Formal Complaints, a. Poor demeanor displayed by an employee and d. misuse of force.

I completed the Appendix A form (Norridge Police Department Employee Misconduct Inquiry / Complaint). The complainant was presented and explained Appendix B (Norridge Police Department Citizen Complaint Form) but refused to sign or write a statement.

The complainant was an adult female in custody for driving while her driver's license was suspended.

Sgt. Nicholas Rice #202

To: Chief Disselhorst

From: Sgt. Nicholas Rice #202

Date: October 4, 2018

Subject: Alleged Misconduct

On 10/4/18, at around 0200 to 0230 hours, [REDACTED] DOB [REDACTED], was under arrest for driving on a suspended license. As I entered the lockup area by the breathalyzer machine, I heard a lot of yelling coming from the jail cell area. I heard the offender [REDACTED] swearing and screaming. I then heard Officer Boik #41 swearing and yelling. At that point I walked back to the jail cell area and had Officer Boik exit the lock-up area.

At that point, [REDACTED] told me Officer Boik forcefully grabbed her left arm and squeezed it hard causing her pain. She pointed to her left elbow and said there were red marks as signs of injury. I looked at her left elbow and did not see any red marks or signs of injury. At that point I asked [REDACTED] if she wanted an ambulance or medical treatment to which she declined. As I walked her back into the breathalyzer room she went on to say that Officer Boik assaulted her. I then asked her if she wanted to file an official complaint and she stated she would. I then left the lock up area and left [REDACTED] in the presence of Officer Borowiec. I then returned to the lock up area with a digital camera and took a picture of [REDACTED] left arm. I presented the Norridge Police Department Citizen Complaint Form and explained the form to [REDACTED]. [REDACTED] then refused to sign or complete form.

[REDACTED] was then issued an I-Bond and released at around 0235 hours. Throughout the arrest [REDACTED] was uncooperative and belligerent towards all police officers.

While in the roll call area, after [REDACTED] was released, Officer Boik told me he never grabbed [REDACTED] left arm and for me to watch the video. He stated he was escorting [REDACTED] to the jail cell by her right arm and never grabbed her using excessive force. Boik stated he did get verbally upset with [REDACTED] due to her attitude and lack of respect.

Officer Borowiec stated he was following Officer Boik and [REDACTED] to the lock up area and was in the door frame when the alleged misconduct occurred. Borowiec stated he did not witness the interaction between Officer Boik and [REDACTED].

The alleged misconduct took place in the lock up area by the jail cells. I was not able to review the audio and video footage using the Exacqvision client software. The picture taken of [REDACTED] elbow was placed into evidence locker #1.
